About the Institute

MGM College of Engineering and Technology (MGM CET) is governed by Mahatma Gandhi Mission, a Charitable Trust, registered under the Bombay Public Trust Act 1950 and Societies Regulation Act 1860. Since its inception in 1982, Mahatma Gandhi Mission has developed into an excellent educational group and is totally committed to human resource development. MGM has now a chain of Engineering, Medical, Nursing, Management, Dental, Physiotherapy, Science, Journalism and Fine Arts spread over five educational centers, Navi Mumbai, Aurangabad, Nanded, Noida and Parbhani.

The four courses viz. Computer, Bio-medical, Electronics & Telecommunications and Civil are accredited by National Board of Accreditation (NBA). MGM CET is housed in a spacious Campus near Panvel at the junction of NH-4 and Mumbai-Pune Expressway in modern style of architecture, best suited to secure the requisite effect of simplicity & dignity which should be associated with a technological institute. It maintains picturesque and lush green gardens around to provide a soothing atmosphere conducive to learning. Admission to the institute is as per the procedure laid down by Directorate of Technical Education, Maharashtra State.

About the Conference

Engineering is an evolving profession. To be able to cope up with future challenges it is very necessary to rethink and upgrade present engineering education. It is commented that the graduating students are not industry-ready. To address this issue, this conference (NCCETR) is being organized. NCCETR provides an opportunity to discuss and explore solutions to challenges faced in Engineering teaching and research and to define and improve the education process. The conference will provide a platform for constructive discussions on contemporary issues in engineering education and will thrive to develop some novel ideas for betterment of future generation

Conference Themes

Unpublished Contributions in the following research areas but not limited to the list given below are invited from prospective authors:

1. Focus on Learning Centric Education
2. Improvements in Teaching Methods & Practices to address Industry Requirements

3. Outside Classroom Learning
4. Use of Digital Media
5. Sophisticated Assessment Strategies
6. Integration of Research and Teaching

Author Guidelines

Original contributions related to the above mentioned themes are invited from industries, academicians, researchers, and practicing engineers.

Papers will be selected either for oral presentation or poster presentation on the basis of abstracts submitted by the authors. All posters must be displayed throughout the conference for 2 days from June 3rd, 2018 through June 4th, 2018.

The full length paper should be according to IEEE guidelines and should include names of authors, affiliation, Email addresses and contact number(s) and it is to be submitted on or before the last date.

All manuscripts submitted for publication to NCCETR -2018 will be cross-checked for plagiarism. Manuscripts found to be plagiarized, during any stage of review, shall not be included in the conference.

The Full Length Paper and the Registration form may be submitted through email with subject heading NCCETR-2018 to nccetr2018@mgmmumbai.ac.in

Brochure and Registration form can also be downloaded from the institute website: <http://mgmmumbai.ac.in/mgmcet/> Selected papers will be included in conference proceeding.
