About MGM's College of Engineering and Technology(MGM CET)

MGM's College of Engineering and Technology(MGM CET) is governed by Mahatma Gandhi Mission, a Charitable Trust Act 1950 and Societies Regulation Act 1860. Since its inception in 1982, Mahatma Gandhi Mission has developed into an excellent educational group and is totally committed to human resource development. MGM is now a chain of Engineering, Medical, Nursing, Management, Dental, Physiotherapy, Science, Journalism and Fine Arts spread over four educational centres - Navi Mumbai , Nanded, Aurangabad and Noida. In continuation of its proud tradition of enriching the human resource needs of the country, the Mission has set up in 1986, our institute MGM's College of Engineering & Technology, Kamothe, Navi Mumbai. The objective of the institution is to impart value based quality education by combining academics with exposure to industry. With this view in mind it provides state-of-the art infrastructure facilities & academic resources to its students.

College is affiliated to University of Mumbai and approved by AICTE, New Delhi. MGM CET is awarded with ISO-9001-2000 Certification by RINA for providing technical education in engineering field as per the guidelines of University of Mumbai. The institute is one of the few engineering colleges to achieve this international standard for implementing and maintaining Quality Management System. The institute is accredited by NAAC (B+). MGM CET is housed in a spacious Campus near Panvel at the junction of NH-4 and Mumbai-Pune Expressway but in a modern style of Architecture, best suited to secure the requisite effect of simplicity & dignity, which should be associated with the technological institute. It maintains picturesque and lush green gardens around to provide a soothing atmosphere conducive to learning. Admission to the institute is as per the conditions laid down by the Directorate of Technical Education, Maharashtra State.

A. About IIC

Under the flagship of Ministry of Education (MoE), Govt. of India, MGM CET has established 'MoE's Innovation Cell (MIC)' to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). The primary mandate of this council is to encourage, inspire and nurture our young students by supporting them to work with new ideas and transform them into prototypes while they are informative years.

Ministry of Education (MoE), Govt. of India is encouraging creation of 'Institution's Innovation Council (IICs)' across selected HEIs. A network of these IICs is established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses.

Vision and Mission of MGM CET's IIC and Entrepreneurship and Incubation Centre

To create a vibrant local innovation ecosystem. Start-up supporting Mechanism in HEIs. Prepare institute for Atal Ranking of Institutions on Innovation Achievements Framework. Establish Function Ecosystem for Scouting Ideas and Pre-incubation of Ideas. Develop better Cognitive Ability for Technology Students.

Objective of MGM CET's Institution Innovation Council, Entrepreneurship and Incubation Center To conduct various innovation and entrepreneurship-related activities prescribed by Central MIC in time bound fashion.

- Identify and recognise innovations and share success stories.
- Organize periodic workshops/ seminars/ interactions with entrepreneurs, investors, professionals and create a mentor pool for student innovators.
- Network with peers and national entrepreneurship development organizations.
- Create an Institution's Innovation centre and to highlight innovative projects carried out by institution's faculty and students.
- Organize Hackathons, idea competition, mini-challenges etc. with the involvement of industries.
